NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

- A. Allstate Life Insurance Company (referred to as the “Company” or “ALIC”) prepares its statutory-basis financial statements in conformity with accounting practices prescribed or permitted by the Illinois Department of Insurance (“IL DOI”). Effective January 1, 2001, the State of Illinois required insurance companies domiciled in its state to prepare statutory-basis financial statements in accordance with the National Association of Insurance Commissioners’ Accounting Practices and Procedures Manual subject to any deviations prescribed or permitted by the IL DOI.
- B. The preparation of financial statements in conformity with statutory accounting practices prescribed or permitted by the IL DOI requires management to make estimates and assumptions that affect the amounts reported in the statutory-basis financial statements and related notes. Actual results could differ from those estimates.

2. Accounting Changes and Corrections of Errors

Northbrook Life Insurance Company (“NLIC”), one of the Company’s wholly owned subsidiaries, merged into the Company effective January 1, 2003. The Company is now the surviving legal entity and NLIC has ceased to exist as an independent entity. In conjunction with the merger, two of NLIC’s Separate Accounts, Northbrook Variable Annuity Account I and Northbrook Variable Annuity Account II, were merged with the Allstate Financial Advisor Separate Account I, a Separate account of the Company. A third Separate Account, Northbrook Variable Life Separate Account A was renamed Allstate Life Separate Account A.

In accordance with Statement of Statutory Accounting Principles (“SSAP”) No. 3, *Accounting Changes and Corrections of Errors*, the merger was accounted for as if it had occurred as of January 1 of the prior year. As such, the financial position of the Company at December 31, 2002 and the result of operations for the six months ended June 30, 2002 were restated. The following is a summary of the restated financial statements:

Effective January 1, 2003 the Company adopted SSAP No. 86, *Accounting for Derivative Instruments and Hedging, Income Generation, and Replication (Synthetic Asset) Transactions* (“SSAP No. 86”). This statement supersedes SSAP No. 31, *Derivative Instruments* and adopts certain definitional aspects and hedge effectiveness requirements of the accounting principles generally accepted in the United States of America framework. This statement addresses the recognition and measurement of derivatives used in a) hedging transactions; b) income generation transactions; and c) replication transactions. Hedging transactions are defined as derivative transactions entered into and maintained in order to reduce: a) the risk of a change in the fair value or cash flow of assets and liabilities which the Company has acquired, incurred or has a firm commitment to acquire or incur, or b) the currency exchange risk or the degree of foreign currency exposure in assets and liabilities which the Company has acquired or incurred or has a firm commitment to acquire or incur. Derivative instruments used in hedging transactions that meet the criteria of a highly effective hedge must be valued and reported consistently with the hedged asset or liability. Income generation transactions are derivatives written or sold to generate additional income or return to the Company. Replication transactions are derivative transactions entered into in conjunction with other investments in order to reproduce the investment characteristics of otherwise permissible investments. If a derivative hedge is ineffective or becomes ineffective then it must be accounted for using fair value. Derivative contracts used for income generation or replication are accounted for at amortized cost or fair value, depending on whether the asset covered, or, in the case of replication, the asset replicated and the cash instrument, are also accounted for at amortized cost or fair value. Changes in the fair value for open derivative contracts that meet the criteria for carrying at fair value, except for those carried at fair value under hedge accounting, are recorded as unrealized capital gain and loss adjustments in unassigned funds. The adoption of SSAP No. 86 resulted in no cumulative impact to unassigned funds. However, the adoption of SSAP No. 86 has caused certain existing open derivative contracts which were previously marked to fair value through net investment income or net realized capital gains and losses under SSAP No. 31, and certain new derivative contracts entered January 1, 2003 and subsequent to be marked to fair value in unassigned funds. If SSAP No. 86 had been adopted on January 1, 2002 the net investment income and realized capital gains and losses reported in the Statement of Operations for the first six months of 2002 would have decreased by \$18.1 million.

E. Glenbrook Life and Annuity Company (“GLAC”) Guarantee

Effective October 2, 1995, the Company entered into an agreement to guaranty the performance of GLAC and Allstate Life Financial Services, Inc. under a Master Marketing Agreement with SunTrust Banks.

Structured Settlements

The Company has agreed to guarantee the payment of certain structured settlement arrangements and third party payment obligations to injured parties and contingent recipients through certain reinsurance agreements in the event that Lincoln Benefit Life Company (“LBL”) or Allstate Life Insurance Company of New York (“ALNY”) is unable to make such payments. Reserves recorded by LBL and ALNY for obligations covered by this guaranty were \$50.0 million and \$45.2 million at June 30, 2003 and December 31, 2002, respectively.

The Company has also agreed to guarantee the payment of certain structured settlement arrangements and third party payment obligations intended to be “qualified assignments” established by Allstate Assignment Company (“AC”) through structured settlement agreements funded by annuities purchased from the Company in the event AC is unable to make such payments. Reserves recorded for obligations covered by this guaranty were \$576.4 million and \$443.5 million at June 30, 2003 and December 31, 2002, respectively.

NOTES TO FINANCIAL STATEMENTS

NLIC Trust

At December 31, 2002, \$2.10 billion of the Company's investments were held in a trust for the benefit of NLIC, a wholly owned subsidiary, to permit NLIC to meet policyholder obligations under its reinsurance agreement with the Company. The NLIC Trust was dissolved subsequent to the merger of NLIC into ALIC on January 1, 2003. Ownership of the assets in the Trust changed from NLIC to ALIC.

Other Guarantees

The Company owns certain bonds which contain credit default swaps or credit guarantees which contain obligations to exchange credit risk or to forfeit principal due, depending on the nature or occurrence of specified credit events for the referenced entities. In the event of a specified credit event, the Company's maximum potential amount of future payments, assuming the value of the referenced credits become worthless, was \$112 million at June 30, 2003. The credit default swaps and credit guarantees contained in these bonds expire at various times during the next four years.

LBL, a wholly owned subsidiary of the Company, has issued universal life insurance contracts to third parties who finance the premium payments on the universal life insurance contracts through a commercial paper program. LBL has issued a repayment guarantee on the outstanding commercial paper balance which is fully collateralized by the cash surrender value of the universal life insurance contracts. At June 30, 2003, the amount due under the commercial paper program was \$299 million and the cash surrender value of the policies was \$306 million. The repayment guarantee expires April 30, 2006. These contracts are ceded to the Company under the terms of the reinsurance agreements.

F. During the second quarter of 2003, the Company, along with several other life affiliates, and Allstate Life Financial Services, Inc. ("ALFS") entered into an Administrative Services Agreement effective January 1, 2000. The agreement specifies that the Company will assume from ALFS financial and administrative responsibility for expenses and services related to the marketing and distribution by ALFS of certain variable insurance contracts on behalf of the Company.

Also during the second quarter of 2003, the Company and American Heritage Life Insurance Company ("AHL") entered into a Catastrophe Reinsurance Agreement effective July 1, 2002 whereby the Company will indemnify AHL for catastrophic loss in respect to the excess liability which may accrue as a result of any losses under all policies, riders, binders, contracts or certificates of insurance, or other evidences of liability and embraces AHL's entire net retained portfolio of Individual Ordinary and Group Life and Individual and Group accidental Death Benefits.

On March 12, 2003, the Company entered into a Marketing Coordination and Administrative Services Agreement with Allstate Financial Services, LLC ("AFS"), effective January 1, 2003, whereby AFS will provide to the Company certain marketing services relating to the promotion of registered securities products. The Company will pay AFS \$200 thousand per month as a marketing fee.

On March 13, 2003, the Company entered into Amendment No. 1 to the Depository Agreement with Allstate Bank ("the Bank") under which the Bank serves as a depository holding the assets payable to beneficiaries pursuant to one or more of the Company's claim settlement programs. The Amendment specifies that the transfer of the retained assets or the payment of any insurance claim settlements by the Company to the Bank will not result in any continuing obligation of the Company with respect to the amount transferred or paid.

14. Contingencies

A. Contingent Commitments

Please refer to Note 10, Part E for a description of the contingent commitments and guarantees the Company has entered into.

D. Regulations and legal proceedings

The Company is subject to changing social, economic, and regulatory conditions. State and federal regulatory initiatives and proceedings have varied and have included efforts to remove barriers preventing banks from engaging in the securities and insurance businesses, to change tax laws affecting the taxation of insurance companies and the tax treatment of insurance products which may impact the relative desirability of various personal investment products and to expand overall regulation. The ultimate changes and eventual effects, if any, of these initiatives are uncertain.

The Company sells its products through a variety of distribution channels including Allstate agencies. Consequently, the outcome of some legal proceedings that involve AIC regarding the Allstate agencies may have an impact on the Company.

AIC is defending various lawsuits involving worker classification issues. Examples of these lawsuits include a number of putative class actions challenging the overtime exemption claimed by AIC under the Fair Labor Standards Act or state wage and hour laws. These class actions mirror similar lawsuits filed recently against other carriers in the industry and other employers. Another example involves the worker classification of staff working in agencies. In this putative class action, plaintiffs seek damages under the Employee Retirement Income Security Act ("ERISA") and the Racketeer Influenced and Corrupt Organizations Act alleging that agency secretaries were terminated as employees by AIC and rehired by agencies through outside staffing vendors for the purpose of avoiding the payment of employee benefits. A putative nationwide class action filed by former employee agents also includes a worker classification issue; these agents are challenging certain amendments to the Agents Pension Plan and are seeking to have exclusive agent independent contractors treated as employees for benefit purposes. AIC has been vigorously defending these and various other worker classification lawsuits. The outcome of these disputes is currently uncertain.

AIC is also defending certain matters relating to its agency program reorganization announced in 1999. These matters include an investigation by the U.S. Department of Labor and a lawsuit filed in December 2001 by the U.S. Equal Employment Opportunity Commission ("EEOC") with respect to allegations of retaliation under the Age Discrimination in Employment Act, the Americans with Disabilities Act and Title VII of the Civil Rights Act of 1964. A putative nationwide class action has also been filed by former employee agents alleging various violations of ERISA, breach of contract and age discrimination. AIC has been vigorously defending these lawsuits and other matters related to its agency program reorganization. In addition, AIC is defending certain matters relating to its life agency program reorganization announced in 2000. These matters include an investigation by the EEOC with respect to allegations of age discrimination and retaliation. AIC is cooperating fully with the agency investigation and will continue to vigorously defend these and other claims related to the life agency program reorganization. The outcome of these disputes is currently uncertain.

The Company is defending various lawsuits and regulatory proceedings that allege that it engaged in business or sales practices inconsistent with state or federal law. The Company has been vigorously defending these lawsuits, but their outcome is currently uncertain.

Various other legal and regulatory actions are currently pending that involve the Company and specific aspects of its conduct of business. Like other members of the insurance industry, the Company is the target of an increasing number of class action lawsuits and other types of litigation, some of which involve claims for substantial and/or indeterminate amounts (including punitive and treble

damages) and the outcomes of which are unpredictable. This litigation is based on a variety of issues including insurance and claim settlement practices. However, at this time, based on their present status, it is the opinion of management that the ultimate liability, if any, in one or more of these other actions in excess of amounts currently reserved is not expected to have a material effect on the results of operations, liquidity or financial position of the Company.
